The Ottawa Hydro rates have been steadily increasing over the past years. I am sure you have enough money in your reserves to cover the cost of infrastructure repairs etc. I noticed, that in your application, your news items, Ottawa Hydro never discloses how much profit they have. Ottawa Hydro are keeping their stakeholders profits the same (or increasing), while yet again passing the literal 'buck' onto your consumers to pay for your mismanagement. Please ask what Ottawa Hydro profits are before you allow Ottawa Hydro to increase their customer rates, yet again.
