Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (EGI)
OEB File No. EB-2025-0064 - 2024 Rebasing Proceeding – Phase 3
TransCanada PipeLines Limited (TCPL) - Change of Legal Counsel and Request to
File TCPL Evidence**

TCPL is writing to the Ontario Energy Board (OEB or Board) to notify of a change in TCPL's legal counsel, and to request leave from the OEB to file evidence in this proceeding as set out in the OEB's Procedural Order No. 2 issued on May 16, 2025.

Change in Legal Counsel

Please be advised that TCPL has made a change in legal counsel for this proceeding. Please remove the existing contact information for Mr. Matthew Ducharme, replace it with the following, and kindly update the email distribution list accordingly:

TCPL Evidence

Pursuant to the direction in Procedural Order No. 2, any intervenor wishing to file evidence in Phase 3 must submit a request to the OEB by May 30, 2025 in accordance with Rule 13 of the OEB's Rules of Practice and Procedure.

Accordingly, TCPL requests leave from the OEB to file evidence in this proceeding. As an EGI customer contracting for a significant amount of transportation capacity on the Dawn Parkway

System, any evidence submitted by TCPL will be relevant to EGI's proposed cost allocation, rate design, or service harmonization proposals that impact ex-franchise services. These issues are addressed in the Phase 3 approved Issues List, notably Issue 1 - Part B, Issue 2, Issue 3 - Part C, and Issue 5. TCPL seeks to obtain leave to submit evidence in the event that it determines evidence is required to ensure that its existing service rights, flexibility features, and terms and conditions of service under the existing M12, C1, and Rate 332 rate classes are maintained under the proposal to harmonize these rate classes into the new E70 rate class.

In the event that TCPL submits evidence, it will be presented by the company rather than a third-party expert. TCPL will not seek an award of costs for its participation in this proceeding.

Should the Board require any additional information with respect to this filing, please contact the undersigned at (403) 920-7835 or namrita_sohi@tcenergy.com.

Yours truly,
TransCanada PipeLines Limited
