Frequent Intervenor Form:

OEB Proceedings:

N/A

Issues:

ENGLP is participating in this hearing due to its role as a natural gas distributor in Ontario, and also a customer of Enbridge. The OEB also recommended that EPCOR participate in Enbridge Gas's upcoming five-year GSP proceeding to provide input on the framework and process of the GSP in its 2024 Gas Supply Plan report.

Policy Interests:

ENGLP is participating in this hearing due to its role as a natural gas distributor in Ontario, and also a customer of Enbridge. The OEB also recommended that EPCOR participate in Enbridge Gas's upcoming five-year GSP proceeding to provide input on the framework and process of the GSP in its 2024 Gas Supply Plan report.

Hearings:

ENGLP defers to the boards direction on this matter.

Evidence:

ENGLP does not intend to file evidence.

Coordination with Other Intervenor:

ENGLP is participating in this hearing largely in its role as a distributor to understand the hearing process as ENGLP's current gas supply plan is not subject to the same procedural steps.

Cost Awards:

ENGLP will not be seeking cost claims.

Language Preference:

English
