Dear Ms. Marconi,

Re: EB-2025-0130 – Hydro One Networks Inc. Waasigan Transmission Line Project – Phase 2 Expropriation Application – Notification of Removal of Properties, Affidavit of Service, and Issues List Proposal

Hydro One Networks Inc. ("Hydro One") is providing this correspondence to update its application for expropriation authority under section 99 of the *Ontario Energy Board Act, 1998*, in relation to Phase 2 of the Waasigan Transmission Line Project (the "Project").

Hydro One continues to prioritize voluntary land acquisition and has successfully reached agreements with two additional landowners, identified as DR01 and DR42 in Appendix 4 of the Updated Application filed on May 26, 2025. As a result, Hydro One will no longer seek expropriation authority over these properties. A revised Appendix 4, reflecting this change, is attached as Exhibit "A" to the enclosed Affidavit of Service.

In conjunction with this update to reduce the expropriation authorizations sought, Hydro One is also providing the Ontario Energy Board ("OEB") with a proposed Issues List for this proceeding. Hydro One proposes to adopt the same Issues List that was established by the OEB in its assessment of the Phase 1 expropriation application for the Project. The proposed Issues List is therefore:

1. Is the proposed expropriation in the public interest?
2. Has Hydro One requested expropriation of the minimum amount of land needed for the project, and the minimum legal interest required for that land?
3. What conditions, if any, should be attached to the OEB's Order in this proceeding?

Also enclosed is Hydro One's Affidavit of Service, confirming compliance with the OEB's Letter of Direction issued on May 20, 2025. The affidavit affirms that notice has been served to all landowners whose properties remain subject to Hydro One's request for section 99 relief as identified in the revised Appendix attached as Exhibit "A" of the Affidavit of Service.

An electronic copy of this submission has been filed through the Board's Regulatory Electronic Submission System (RESS).

Should you have any questions or require further information, please do not hesitate to contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to be "P. Catalano", written in a cursive style.

4.
