OEB Case EB-2008-0237

Dear Ms. Walli

Niagara-on-the-Lake Hydro Inc. would like to request an extension to the current due date of November 17, 2008 for interrogatory responses. Due to resource constraints, additional time will be required to compile and present further data related to OEB Staff interrogatory "8.1 – Continuity Schedule for Regulatory Assets", based on clarification received today from OEB staff regarding the scope of the required information. An extension to November 26, 2008 is requested.

Responses to other interrogatories will be submitted earlier, as soon as completed.

Yours truly

Jim Huntingdon, President
