**Decision and Order**

Onit Energy Ltd. filed a complete application on April 7, 2025, with the Ontario Energy Board (OEB), under section 50 of the *Ontario Energy Board Act, 1998* (OEB Act) to renew their gas marketer licence. Onit Energy Ltd. also filed a complete application on April 7, 2025, with the Ontario Energy Board (OEB), under section 60 of the Ontario Energy Board Act, 1998 (OEB Act) to renew their electricity retailer licence. The licences would allow the applicant to continue providing gas marketer and electricity retailer services in Ontario.

The OEB combined the applications into one proceeding, under section 21(5) of the OEB Act. This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the applications and issue a gas marketer licence and an electricity retailer licence to Onit Energy Ltd.

**IT IS ORDERED THAT:**

1. The application for a gas marketer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
