Attention: Acting Registrar

Dear Mr. Murray,

**Re: Enbridge Gas Inc.
Application for 2024 Rates – Phase 2
Board File No.: EB-2024-0111**

We are counsel to Minogi Corp. (“**MC**”) and Three Fires Group Inc. (“**TFG**”), as joint-intervenors, in the above-noted proceeding (the “**Proceeding**”). Pursuant to the Decision and Order dated May 29, 2025, please find attached the cost claims of MC and TFG in the Proceeding.

Submissions. MC and TFG respectfully request an award of 100% of its eligible costs, given its strategic and principled participation in the Proceeding, reflecting the unique interests and rights of Mississaugas of Scugog Island First Nation (“**MSIFN**”) and Chippewas of Kettle and Stony Point First Nation (“**CKSPFN**”), two distinct First Nations, and their respective members. MC and TFG submit that this request is supported by the following considerations:

- (i) MC and TFG participated effectively in the Proceeding, taking a narrow, principled, and coordinated approach to matters related to the rights and concerns of MSIFN and CKSPFN and assisted in contributing to the Board’s better understanding of such concerns and matters;
- (ii) MC and TFG ensured that their joint participation in the Proceeding was focused on material issues and consistent with the scope of its joint intervention, as set out in their respective Notices of Intervention;
- (iii) MC and TFG coordinated significantly with each other throughout the Proceeding in a responsible and efficient way to advance each of their interests and worked together to provide joint interrogatories, submissions, and testing of evidence, consistent with MC and TFG’s letter to the Board dated May 28, 2024, and the Board’s recent direction for broader coordination between intervenors;
- (iv) MC and TFG also collaborated with the other Indigenous intervenors, and members of the Indigenous Working Group, to coordinate interrogatories, pursue settlement on issues of unique interests to the Indigenous intervenors, and prepare submissions in collaboration with the other Indigenous intervenors in order to limit overlap and efficiently advance

issues of mutual interest, all of which is consistent with the Board's direction for broader coordination between intervenors; and

- (v) MC and TFG jointly participated responsibly and engaged with other intervenors and Board Staff to avoid overlap, maximize efficiency, and ensure that its participation was not unduly repetitive and was focused on relevant and material issues to MSIFN and CKPFN.

We trust that this approach has maximized the efficient use of resources and the right of otherwise unrepresented and important Indigenous energy stakeholders to be heard in a manner that is consistent with their constitutionally protected rights and the Board's mandate and statutory objectives.

MC and TFG respectfully requests a full award of eligible costs.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Vollmer", with a stylized, cursive script.

DT Vollmer

- c. Dr. Don Richardson, MC
Reggie George, TFG
