Dear Mr. Murray,

Re: EB-2024-0026 Greater Sudbury Hydro Inc – 2025 Cost of Service Application – OPEB Supplemental Evidence Responses to Interrogatories

Pursuant to Procedural Order No. 3, dated June 6 2025, Greater Sudbury Hydro Inc. (“GSHi”) hereby files its responses to the interrogatories on the supplemental written evidence concerning OPEB amounts.

GSHi draws the Board’s attention to its response at SEC-31 (g), where it proposes a net \$503,464 (pre-tax) downward adjustment to the claimed total combined amounts of the two deferral accounts in question to recognize work performed by GSHi employees for affiliates and third parties. The dollar figures cited in all other interrogatory responses are stated before this adjustment; they should therefore be read as subject to the reduction discussed in SEC-31 (g).

Should you have any questions or require further information, please contact the undersigned.

Sincerely,
