Ms. E. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Hydro One Networks Inc.'s
2009-2010 Transmission Revenue Requirement Application
– Notice of Application for an Electricity Transmission Rate Change
Board File No. EB-2008-0272**

Pursuant to the Board's Notice of Application dated October 17, 2008, Toronto Hydro-Electric System Limited (THESL) requests Intervenor Status in the EB-2008-0272 proceeding.

THESL is an electricity distributor operating under Licence ED-2002-0497. As an OEB-regulated utility, THESL has a direct interest in all matters of jurisdiction, substance and procedure with respect to the regulation of electricity in Ontario, and in decisions of the Board which may affect THESL's operation in the Ontario electricity market. THESL was a participant in the Hydro One Stakeholder Session on this matter held in June 4, 2008.

THESL reserves the right to be heard, to appear by or with counsel of its choice, to cross-examine on all subject matters in this hearing that may relate to its interest, to advance evidence on specific matters that are relevant to this proceeding and to present argument.

THESL requests for electronic copies of Hydro One's prefiled evidence. THESL further requests to be included in the distribution list for any documents, correspondence or updates related to this proceeding.

THESL does not intend to seek an award of costs in this proceeding.

Please direct all your questions or comments to me, by regular mail or by electronic mail to regulatoryaffairs@torontohydro.com.

Yours truly,
