WILLIAMS OPERATING CORPORATION

Application for an Electricity Wholesaler Licence

BY DELEGATION,

BEFORE: **Helen Guo**

June 17, 2025

DECISION AND ORDER

Williams Operating Corporation filed an application on April 24, 2025, with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for an electricity wholesaler licence. The applicant's licence EW-2016-0354 expired on January 25, 2022.

Licensees are reminded to submit their renewal applications before their licence's expiry date to ensure compliance with section 57 of the OEB Act. The granting of this licence is without prejudice to any future compliance action regarding Williams Operating Corporation's operating without a valid licence.

This Decision and Order is being issued by the Delegated Authority pursuant to section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity wholesaler licence to Williams Operating Corporation.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
