DECISION AND ORDER

EB-2025-0116

EVOLUTION MINING GOLD OPERATIONS LTD.

Application for an Electricity Wholesaler Licence

BY DELEGATION, BEFORE: Brian Hewson
Vice President,
Consumer Protection & Industry Performance

June 19, 2025

DECISION AND ORDER

Evolution Mining Gold Operations Ltd. filed a complete application on June 16, 2025, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its electricity wholesaler licence.

This Decision and Order is being issued by the Delegated Authority pursuant to section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

The applicant applied on March 11, 2025, to renew its electricity wholesaler licence, which was set to expire on March 25, 2025. An Interim Decision and Order extending the licence term to August 14, 2025, was issued on March 18, 2025.

After considering the application and assessing technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity wholesaler licence to Evolution Mining Gold Operations Ltd. The OEB notes the application was filed by the applicant 14 days prior to the expiration of the existing licence and takes this opportunity to remind the applicant and all existing licensees that they must ensure their renewal application is filed in time to permit the OEB to undertake its review and issue a licence prior to the expiry of an existing licence

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
