Dear Ritchie Murray:

**Re: OEB File Number: EB-2022-0325
UTR Phase 2 Working Group Request for Extension of Deadline for Report
to the OEB**

In its March 27, 2025 [Decision and Order](#) on Issues 4, 5 and 6 in this proceeding, the Ontario Energy Board (OEB) ordered that a Working Group be convened to further consider a number of matters related to this phase of the proceeding. The Working Group was directed to gather information, analyze the issues, and provide recommendations in a report back to the OEB by June 27, 2025.

The group has been working diligently in this regard since it was convened in April, but in light of the complexity of the issues being considered, it will need a brief amount of additional time to finalize its report. The Working Group respectfully requests an extension of the filing deadline from June 27, 2025 to July 11, 2025.

Any questions relating to this letter should be directed to Thomas Eminowicz at Thomas.Eminowicz@oeb.ca.

Thank you,

Thomas Eminowicz
