Oshawa PUC Networks Inc. (Oshawa PUC Networks) filed a cost of service application with the Ontario Energy Board (OEB) on April 30, 2025, under section 78 of the *Ontario Energy Board Act*, 1998 (OEB Act), seeking approval for changes to the rates that Oshawa PUC Networks charges for electricity distribution, beginning January 1, 2026.

In Procedural Order No. 1, the OEB approved the parties for this proceeding and set out, among other things, procedural steps for the filing of interrogatories, responses to those interrogatories and a settlement conference.¹

Interrogatory Collaboration Pilot

As part of its efforts under the OEB's modernization plan, the OEB is piloting new methods to reduce duplication and improve efficiency in the interrogatory process. This proceeding was selected to pilot item #4 of the OEB's 10-point Action Plan.

As a result, intervenors and OEB staff are being directed to collaborate and file a single, consolidated set of interrogatories. To assist OEB staff and intervenors, OEB staff has created a private SharePoint site to allow parties to prepare interrogatories in one file. The objective of the pilot is to increase collaboration, eliminate the duplication of interrogatories, and consolidate similar information requests to reduce the overall

number of interrogatories. OEB staff will file these interrogatories as a PDF with the OEB on behalf of all intervenors. The interrogatories will be placed on the public record, consistent with current practices. Individual interrogatories shall be attributed to each party that contributed to the question or has the same question. The PDF placed on the public record will be labelled to indicate a set of collaborative OEB staff and intervenor interrogatories.

The OEB is establishing the following process in forming the collaborative interrogatory document amongst OEB staff and intervenors, in accordance with the objectives of the pilot.

OEB staff will insert its interrogatories into the private SharePoint site by **July 3, 2025**. Following that, intervenors will insert their interrogatories into the private SharePoint site between **July 3, 2025** and **July 7, 2025**, while being mindful to not include duplicate interrogatories. Intervenors and OEB staff should collaborate to remove similar and overlapping interrogatories where possible. OEB staff will review and recommend to intervenors any further changes to the interrogatory file between **July 8, 2025**, and **July 10, 2025**, and intervenors are to sign off on the interrogatories no later than **July 10, 2025**.
