Dear Garry Rossi:

**Re: Windsor Canada Utilities Ltd.
Notice of Proposal under Section 80 and 81 of the *Ontario Energy Board Act, 1998*
OEB File Number EB-2025-0173**

On May 13, 2025, Windsor Canada Utilities Ltd., filed with the Ontario Energy Board (OEB) a notice of proposal under section 80 and 81 of the *Ontario Energy Board Act, 1998*, regarding the proposed acquisition by Windsor Canada Utilities Ltd., which is an affiliate of a generator in Ontario and an affiliate of a distributor (ENWIN Utilities Ltd.), acquiring an interest in a distribution system and an interest in a generation facility owned and operated by E.L.K Energy Inc. The OEB notes that the proposed acquisition and other related approvals are currently being determined by the OEB in EB-2025-0172 and the disposition of this notice of proposal is independent of that proceeding.

This letter is to inform you that the OEB does not intend to issue a notice of review of the proposal.

Yours truly,

Ritchie Murray
