Dear Mr. Murray:

**Re: EB-2025-0064 – 2024 EGI Rebasing Application – Phase 3 – Technical Conference Questions**

Pursuant to Procedural Order No. 2 concerning the scheduled Technical Conference in the above-noted proceeding, this is to advise that the Quinte Manufacturers Association does not anticipate the need to ask specific questions of the panel witnesses. However, it may become necessary to request clarification of a response or statement, but only if required.

Respectfully,

Michael McLeod  
for  
Quinte Manufactures Association

Cc: C. Davis, Chair, QMA Standing Committee
