**Electric Vehicle Integration (EVI) Initiative (EB-2023-0071)**  
**Pollution Probe Cost Claim Addendum**

Dear Mr. Murray:

OEB Staff noticed that the invoice included with Pollution Probe's cost claim submitted June 3, 2025 noted the old OEB rate and asked that it be updated to the current rate that came into place June 1, 2025. Please find attached the updated invoice. Given that the cost claim filed June 3, 2025 was generated by the OEB RESS system, all other elements of the cost claim remain valid and there is no change in the amount of the costs claim submitted in RESS or any other documentation submitted June 3. Please use the attached invoice in replacement to the invoice attached as back-up documentation to the June 3, 2025 cost claim.

Please reach out should you have any questions or require anything additional.
