Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
Suite 2700, 2300 Yonge Street
P.O. Box 2319
Toronto, ON M4P 1E4

Dear Ms. Walli:

**EB 2007-0606/0615 Proceeding re Union Gas 2008 Rates and Enbridge Gas
Distribution Rates 2008 Rates Application – PowerStream Notice of Intervention**

PowerStream Inc. is applying for late intervention status in the above-noted proceeding. In doing so, PowerStream does accept the record as it now stands.

As a regulated Ontario electricity distributor, PowerStream is affected when issues are treated similarly across the gas and electricity sectors. Therefore, PowerStream has significant interest in the issues raised in EB-2007-0606/0615 including the form of incentive regulation which the Board will implement for gas distribution utilities.

PowerStream is not eligible for and does not seek an award of costs as per the Board's Cost Award Guidelines.

PowerStream requests that documents filed with the Board in this proceeding be served as follows:
