SUBMIT SECTION

I am a representative of the Party. I have examined all of the documentation in support of this cost claim. The costs incurred and time spent are directly related to the Party's participation in the OEB Process referred to above.

This cost claim does not include any costs for work done, or time spent, by a person that is an employee or officer of the Party as described in section 6.05 and 6.09 of the OEB's Practice Direction on Cost Awards.

The information (fees and disbursements) filed in this cost claim is complete and accurate and in accordance with the OEB's Practice Direction for Cost Awards and Appendix A, the Cost Awards Tariff.

Professional Summary

Accomplished research analyst with extensive experience in renewable energy, international business, and strategic planning. Demonstrated success in evaluating energy solutions, analyzing commercial viability, and developing actionable strategies in both business and agricultural settings. Skilled in data-driven decision-making, project management, and fostering cross-functional collaborations. Fluent in English, Mandarin, and Japanese, with strong expertise in Asian business practices. Seeking to leverage expertise in research and analysis to contribute to policy development and strategic initiatives at the Ontario Energy Board in my role as an intvornor in the Wassigan transmission line project.

Professional Experience

Kamorganics — *Owner Operator*

2018 – Present

- Designed and built infrastructure for an off-grid renewable energy generation farm, applying problem-solving and project management expertise.
- Conducted in-depth research on various renewable energy systems, including assessing commercial viability and sustainability within the agricultural sector.
- Developed and executed market strategies to optimize crop production, identifying profitable opportunities within the sustainable farming space.
- Managed day-to-day operations of all aspects of the farm, integrating sustainable practices with operational efficiency.

Midea (China) — *Research Analyst*

March 2011 – December 2018

- Assisted the CEO in conducting comprehensive feasibility analyses for the acquisition of offshore companies, employing advanced analytical tools and strategic planning techniques.
- Collaborated with the Finance and Operations departments to develop actionable strategies, analyzing data and market trends to support business decision-making processes.
- Played a key role in evaluating and streamlining business processes, improving operational efficiency and financial performance.

Chi-Can International Import-Export — *CEO*

January 1996 – November 2025

- Led all operational aspects of an international trading company, including strategy formulation, market analysis, and financial management.
- Negotiated high-value contracts with suppliers and customers, developing strong, long-term relationships and fostering a global business network.
- Managed trade show participation, engaging in both purchasing and supplier roles, leveraging networking and negotiation skills to drive business growth.

Shenzhen Airlines (China) — *Corporate Trainer*

May 2010 – June 2011

- Designed and delivered training programs focused on business English and cross-cultural communication, enhancing staff performance in an international corporate environment.
 - Facilitated team-building exercises and role-playing scenarios, improving interpersonal communication and cultural awareness among staff.
-

Education

- **Bachelor of Science** (History and Forestry) – *Lakehead University, Thunder Bay, Ontario*
 - **Business Administration** – *Confederation College, Thunder Bay, Ontario*
 - **Canadian Securities Course** – 1996
-
