Further to its letter of July 4, 2025, Enbridge Gas writes to inform parties of the witness names and titles for each panel sitting at the Technical Conference commencing on July 16, 2025, and if necessary, July 17, 2025. The attached table sets out the order of the witness panels and the witnesses for each panel. Enbridge Gas has also attached three additional Curricula Vitae for witnesses that were not included in the updated evidence filed at Phase 3 Exhibit 1, Tab 1, Schedule 5, February 28, 2025.

Enbridge Gas intends to respond to these additional questions as undertakings, to be filed August 1, 2025.

Should you have any questions, please let us know.

Sincerely,
