EB-2025-0064 Enbridge Gas Inc. Rebasing Application Phase 3

Dear Mr. Murray:

Further to the Motion filed on July 18, 2025, Pollution Probe has had a chance to review and correlate the undertaking commitments from the Technical Conference held on July 16-17, 2025 and notes that one of the interrogatories noted by Pollution Probe in the July 18, 2025 request is no longer applicable and can be removed from the list provided. Exhibit I.1.3-OHBA-2 can be deleted from the list provided since Enbridge has agreed to provide an undertaking response which is intended to address the questions flowing from that interrogatory.

Respectfully submitted on behalf of Pollution Probe.
