Dear Ms. Marconi,

Re: Centre Lane Trading Limited Amendment to Electricity Wholesaler Licence EW-2025-0067

In reference to Electricity Wholesaler Licence EW-2025-0067, Centre Lane Trading Limited hereby requests the Ontario Energy Board to amend EW-2025-0067 by changing the name of the corporate licensee from “Centre Lane Trading Limited” to “Research Power Corporation”. The reason for this request is that “Centre Lane Trading Limited” is being renamed to “Research Power Corporation” to conform with the brand of the “Research Financial” group of companies. The articles of amendment attached with this letter show evidence of this change.

I confirm there has been no change of address or contact name for the licensee. I also confirm there is no change to the Directors or Officers of the licensee, nor any change in the organizational structure of the licensee. I confirm all existing customers have been notified of the name change.
