Dear Ms. Stefan:

**Re: Canadian Niagara Power Inc.
2026 Transmission Revenue Requirement
Ontario Energy Board File Number: EB-2025-0232**

In its January 14, 2016, Decision and Order¹, the OEB approved a 2016 revenue requirement of \$4,647,201 for Canadian Niagara Power Inc. (CNPI) through a cost of service application. CNPI has not applied for transmission revenue requirements other than foregone revenue and interest disposition since that time.

The OEB is in the process of approving individual transmitters' 2026 revenue requirements and establishing the 2026 Uniform Transmission Rates (UTRs). Could you please confirm by August 8, 2025 that CNPI will not be submitting a 2026 transmission revenue requirement application or seeking any adjustments to the approved revenue requirement of \$4,647,201 for 2026?

Any questions relating to this letter should be directed to Musab Qureshi, Manager, at 437-551-6319 or Musab.Qureshi@oeb.ca.

Yours truly,
