Dear Ms. Marconi,

**Re: EB-2024-0319 – Hydro One Networks Inc. s.99 Waasigan Phase 1 Application for Expropriation Authorization – Consent to Vary Decision Without a Hearing**

On June 18 and July 11, 2025, respectively, Hydro One Networks Inc. (“Hydro One”) informed the Ontario Energy Board (“OEB”) that Hydro One had reached a voluntary agreement with the owners of five of the properties originally included in the Application and that Hydro One no longer sought expropriation authorization over those properties.

Further to those letters, Hydro One is confirming that it consents to the OEB varying the June 10, 2025 Decision and Order in this proceeding such that the five properties are effectively removed from the relief granted. Hydro One also consents to the OEB disposing of this matter without a hearing, in accordance with section 21(4)(b) of the Ontario Energy Board Act, 1998.

An electronic copy of this letter has been submitted using the Board’s Regulatory Electronic Submission System.

Sincerely,

Pasquale Catalano
