Dear Ms. Marconi:

RE: Lakeland Power Distribution Ltd. Z-Factor Application REVISED to be included in EB2025-0024 IRM Application

On August 8, 2025, Lakeland Power Distribution Ltd. ("LPDL") submitted evidence for a ZFactor related to this year's ice storm. After consultation, LPDL will not proceed with filing this separate Z-factor application and will instead include it in the upcoming IRM filing EB2025-0024 to the Ontario Energy Board ("OEB").

If you have any further questions, please do not hesitate to contact me.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Chris Litschko", is positioned above the printed name.
