**Subject:** EB-2025-0214: APH Update Consultation Participation”

Dear OEB,

My name is Greg Van Dusen and I am the CHEC Regulatory Specialist.

On behalf of CHEC I wish to participate in this consultation.

I have been in the industry over 45 years and have worked in areas of utility Asset Management, Finance and Regulatory Affairs. My last utility position was as Director Regulatory Affairs at Hydro Ottawa. I consider myself an expert in regulatory accounting matters and I am very familiar with the APH.

My detailed resume is attached.

I will be representing the interests of the 17 LDCs that are part of the CHEC group.

Thank you.

Greg Van Dusen
