LETTER OF DIRECTION

Dear Justin Egan:

**Re: Enbridge Gas Inc. (Enbridge Gas)
2026 Rates Application
Ontario Energy Board File Number: EB-2025-0163**

The Ontario Energy Board (OEB) has now reissued its Notice of Hearing for Enbridge Gas's 2026 Natural Gas Distribution Rates application (Notice) to correct an error related to bill impacts for commercial customers. Please note that you must comply with the directions in paragraphs 1 and 2 below prior to end of day **August 15, 2025**. If you are unable to comply with the directions within this timeframe, you must inform the Registrar immediately at registrar@oeb.ca.

You are directed:

1. To post the enclosed English and French versions of the Notices, the application and evidence, and any amendments thereto, on Enbridge Gas's website.
2. To arrange for the service of the enclosed English and French versions of the Notices, the application and evidence on all intervenors in Enbridge Gas's proceedings EB-2022-0200, EB-2024-0111 and EB-2025-0064.
3. To provide a copy of the English and French versions of the Notices, the application and evidence, and any amendments thereto, to anyone requesting the material.
4. To file with the OEB an affidavit confirming that the steps set out in paragraphs 1 and 2 have been completed.

For additional clarity, Enbridge Gas is not required to serve this version of the Notice on customers by email. The OEB understands that the emails that Enbridge Gas has sent to its customers did not include a copy of the Notice as an attachment. Rather, the emails contain a link that when selected opens the Notice online. The OEB understands that, going forward, any customer that clicks on that link will be directed to the corrected Notice, regardless of when the email was sent.

You are further directed not to include any documents or materials when serving or publishing the Notices other than documents or materials expressly required by this letter of direction.

Yours truly,

Ritchie Murray
Acting Registrar

Enclosed:

- English and French Notices
