Subject: EB-2025-0214: APH Update Consultation Participation

Please register me for the EB-2025-0214: APH Update Consultation Working Group.

I represent the Electricity Distributors Association (EDA) membership and manage the Finance and Regulatory Councils, both of which will be significantly impacted by this consultation. I will represent our members' collective subject matter expertise and ensure the perspectives of Ontario's electricity distributors are well reflected.

I also bring extensive APH experience from my previous roles at several LDCs in Finance and Regulatory Departments, where I worked daily with the APH, including recording ledger entries and preparing financial records and statements for approval.

My contact information is provided below for registration purposes. I look forward to contributing to the group's discussions.

Thank you,

Brittany J Ashby
