Hello

Please find the required information below:

Suzanne.presseault@orangevillehydro.on.ca

Name of proposed working group member:

Suzanne Presseault

A brief statement describing the participant's level of expertise with the current APH:

I am a Chartered Professional Accountant, CGA and I have worked in an Accounting/Regulatory for 17 years. At both Brampton Hydro and Orangeville Hydro, I have reviewed the USofA chart of accounts and all of the articles in the APH. At Orangeville Hydro, I have implemented APH training for outside staff in accordance with Article 475 of the APH. I participated in the Utilities Standards Forum's (USF) USofA Working Group, which met regularly from over a 7 month period starting in 2019 in order to go through all USofA accounts to compare what LDCs were including. This USF group was formed as a result of the OEB's launch of the Activity and Program Based Benchmarking (APB) initiative (EB-1018-0278). USF is re-convening this USofA working group as a result of this particular consultation, in which I will also be participating.

A statement as to whether the participant is requesting cost eligibility:

Orangeville Hydro will not be requesting cost eligibility.

Regards,

Suzanne Presseault CPA, CGA | Senior Accountant
