Dear Ms. Marconi,

EB-2024-0319 – Hydro One Networks Inc. – Waasigan Phase 1 – Expropriation – Closure of TB149 Voluntary Agreement

In accordance with the conditions defined in the Ontario Energy Board's ("OEB") June 10, 2025 Decision and Order of this proceeding (the "Decision and Order"), Hydro One Networks Inc. ("Hydro One") is updating the OEB with confirmation that the voluntary land rights agreement for the property identified as TB149 in the Application has now closed.

Hydro One is confirming that it no longer requires expropriation relief for this property and consents to the OEB varying the Decision and Order in this proceeding such that this property is effectively removed from the relief granted. Hydro One also consents to the OEB disposing of this matter without a hearing, in accordance with section 21(4)(b) of the Ontario Energy Board Act, 1998.

An electronic copy of this letter has been filed via the OEB's Regulatory Electronic Submission System.

Sincerely,
