Ontario Energy Board File Number: EB-2025-0247**

Further to the Ontario Energy Board's (OEB) acknowledgment letter dated August 15, 2025, the OEB has completed its preliminary review of your request in respect of a certificate of public convenience and necessity for the City of Pembroke. An employee of the OEB, to whom authority has been delegated under Section 6 of the Ontario Energy Board Act, 1998, intends to issue a decision on the request without holding a hearing

Please direct any questions relating to this application to the Case Manager, Cecilia Wang, Analyst, at 437-880-4366 or Cecilia.Wang@oeb.ca.

Yours truly,

Ritchie Murray
Acting Registrar
