Dear Mr. Murray,

Re: Windsor Canada Utilities Ltd. ("WCUL") Phase 1 MAADs Application to Acquire E.L.K. Energy Inc. ("E.L.K. Energy") and Related Approvals ("Application") (EB-2025-0172) Evidence Updates

Pursuant to the Ontario Energy Board's ("OEB") August 25, 2025 Decision on Confidentiality and Procedural Order No. 2 ("Decision") in the above noted proceeding, please find enclosed updates to the redactions in the following evidence and interrogatory responses:

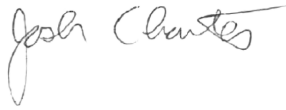

- Appendix D: Purchase and Sale Agreement
- Appendix E: Resolution by Parties Approving the Proposed Transaction
- Responses to Interrogatories OEB Staff-2, OEB Staff-6 and OEB Staff-8

Please note that under separate cover, WCUL has noted its intention to seek a review or appeal of the OEB's August 25, 2025 Decision in relation to only Appendix E, which directed the full shareholder resolution be placed on the public record without redactions, with one exception related to the signature on the document. However, an updated public version of Appendix E has still been prepared and filed, which offers incremental public disclosure consistent with the updates directed to be made to Appendix D.

Unredacted, confidential versions of the updated evidence and interrogatory responses have also been filed with the OEB pursuant to the OEB's Rules of Practice and Procedure and Practice Direction on Confidential Filings. The Applicants are also prepared to provide a copy of the unredacted, confidential version of the updated Appendix D to parties that have executed the OEB's form of Declaration and Undertaking in this proceeding, with redactions for personal information consistent with the OEB's August 25, 2025 Decision.

Should you have any questions, please do not hesitate to contact the undersigned.

Yours very truly,

A handwritten signature in black ink, appearing to read "Josh Charles". The signature is fluid and cursive, with the first name "Josh" and last name "Charles" clearly distinguishable.
