Further to the Ontario Energy Board's (OEB) acknowledgment letter dated August 18, 2025, the OEB has completed its preliminary review of your 2026 Price Cap Incentive Rate-setting application and will now commence the processing of your application. The next steps will be communicated in due course.

NOTLH is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to Marly Augustine, Senior Advisor, Application Policy & Conservation at 416-440-8140 or [marly.augustine@oeb.ca](mailto:marly.augustine@oeb.ca).
