Application for Accounting Order Settlement Conference
OEB File Number: EB-2025-0209

Dear Mr. Murray,

We are writing to respectfully request that the OEB allow for a 1-day Settlement Conference to give the parties an opportunity to explore a settlement of the issues in the proceeding, particularly in recognition that all parties to ORPC's 2022 Cost of Service proceeding have become parties to this application.

ORPC has discussed the possibility with the other parties (VECC and SEC) and they have indicated that they would be available to participate in a settlement conference. ORPC has also reached out to OEB Staff, who have indicated that a settlement conference could be scheduled for September 18, 2025; we can confirm that ORPC, VECC and SEC are all available on that date starting at 10:00 a.m.

The parties agree that given the limited scope of the issues that the Settlement Conference, if approved, can proceed without the need to engage a 3rd part facilitator.

If the insertion of a settlement proceeding is approved, the parties anticipate that the current dates for submissions would be cancelled, with new days provided for in the event no settlement is achieved and proposed for OEB approval.

If there are any questions with respect to this request, please contact the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jeffrey Roy".
