Dear Mr. Murray,

**Re: EB-2024-0198 Enbridge Gas Inc. 2026 DSM Rollover**

On behalf of Housing Services Corporation (HSC), I am writing in accordance with Procedural Order No. 6 regarding Enbridge Gas Inc.'s (EGI) request to rollover its 2023-2025 DSM Plan to 2026.

HSC does not seek to make substantive submissions due to the narrow scope of the 2026 rollover application as regards the Income-Qualified (low-income) programs.

Like FRPO, we see great value in a one window approach to EGI and IESO programs for low-income customers. HSC encourages the Board to direct EGI to work with the IESO to tailor one window access for low-income building operators including community housing to all programs (HWP, EAP, AHMR, and Commercial-Retrofit) for their various building types (single family and multi-unit residential).

Sincerely,
