**RE: Enbridge Gas Inc. (Enbridge Gas)  
Five-year Gas Supply Plan  
Ontario Energy Board File Number: EB-2025-0065  
Extension for Technical Conference Time Estimates**

The OEB was advised by OEB staff that an intervenor suggested extending the deadline for intervenors and OEB staff to file a description of the specific areas they will focus on at the technical conference (with time estimates) by one day, to **September 11, 2025**, as many intervenors will be participating in the settlement conference for Phase 3 of Enbridge Gas's rebasing proceeding (EB-2025-0064) scheduled for September 8-10.

The OEB agrees to the extension.

All other dates set out in Procedural Order No. 1 remain in effect.

Yours truly,

Ritchie Murray  
Acting Registrar
