The Ontario Energy Board (OEB) received PEC LP's application requesting approval of an amendment to the Must Offer Condition Agreement and an amendment to its electricity generation licence EG-2004-0540 on August 22, 2025. The OEB has commenced processing the application and has assigned it file number EB-2025-0256.

The application will be decided by an employee of the OEB who has been delegated this authority under section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the application without holding a hearing.

If required, OEB staff will contact you directly to seek clarification regarding the application or to request additional information. Please note that the timely processing of the application depends on the receipt of information within the specified timelines.

OPG is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the
