Dear Mr. Murray:

Sedum Master Inc.

Application for the Approval of a Municipal Franchise Agreement with, and a limited Certificate of Public Convenience and Necessity for, the Township of Blandford-Blenheim

Ontario Energy Board File Number: EB-2025-0090

We are counsel to Sedum Master Inc. (“**Sedum**”)

Project Manager

On September 2, 2025, the Ontario Energy Board issued its Decision and Order for the above noted proceeding (the “**Decision**”), which included, as Schedule C, several Conditions of Approval. To address the condition included in Section 3 of Schedule C, Sedum Master Inc. has designated the following representative as project manger:

Mr. Tom Watkinson
905-351-1712
tommywatkinson@hotmail.com

Certificate of Public Convenience and Necessity

Sedum's Certificate of Public Convenience and Necessity was provided in Schedule B to the Decision. However, the certificate provided does not include the description of the area that was included in the draft certificate (attached to Sedum's application as Appendix F). Therefore, we request that the Ontario Energy Board revise Sedum's Certificate of Public Convenience and Necessity to align with the form of certificate attached to this letter as Schedule A.

Please note the requested description of the area has been revised in the attached draft certificate to more precisely describe the area, but the area is unchanged and remains consistent with the map attached to Sedum's application as Appendix A.

Sincerely,

Cole Tavener
