RE: EB-2025-0065 – EGI 5 YR GSP – FRPO Time Estimates

We are writing on behalf of the Federation of Rental-housing Providers of Ontario (FRPO) to provide our time estimates. Initially, we would like to thank the Board and staff for their provision of additional time to review the Interrogatory Responses to estimate the time required in the Technical Conference. The estimates below are preliminary, and adjustments may be made to stay within the overall estimate and ideally reduce our total required time for discovery.

ISSUE	TOPIC	ESTIMATE
1)	FIX PRICE OF LANDED WINTER GAS AT DAWN	45
2)	DEMAND MODELLING - ET ADJUSTMENTS - ANALYSIS	40
	MARKET/PIPELINE ALTERNATIVES	20
	PHYSICAL DEMAND VS CONTRACTUAL- FACILITIES PLANNING ENGAGEMENT	20
	SUPPLY OPTION ANALYSIS - EDA STS, LOAD BALANCING	40
3)	MARKET ANALYSIS	15
4)	LIMITING BALANCING DUE TO PHASE 2 DELIVERABILITY CONSTRAINTS	15
8)	SUPPLY SIDE IRP - SARNIA, KIRKWALL, PARKWAY	45

Very importantly, we note that these estimates exceed the estimates of others. We trust that the Board understands that, beyond our service to the Board and our members, some intervenors rely on FRPO to provide a rigorous review of gas supply issues. Our goal is to ensure that there is a clear record for the Board especially given this milestone review of the full gas supply plan by the Board. We believe that this is important to state given recent communications with EGI.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
