## **LETTER OF COMMENT**

### **Comments:**

I must disagree with the decision to raise the pricing of usage of gas from the Enbridge Gas Co. I currently pay 19.95 cents for M3, after the raise I would be paying 31.36 cents per M3. That is a raise of 11.42 cents per M3. At a time when inflation is nuts, and wages are irrelevant to the cost of living, we should not be gouged just that bit more to keep our families warm.
