Subject: EB-2025-0248 - Regional and Bulk Planning Advisory Group Participation

Enbridge Gas is interested in being a member of the advisory group being established by OEB Staff to help shape the recommendations in the OEB's report to the Minister.

Enbridge Gas' primary interest is in the integration of all types of energy into the planning process and to further the Ontario government's Integrated Energy Plan's efforts to bring together electricity, natural gas, hydrogen and other energy sources under a single coordinated planning strategy.

Our proposed representatives are:

Jennifer Murphy
Manager Energy Policy & Planning
Jennifer.Murphy@enbridge.com
416-495-5861

Cody Wood
Supervisor Energy Policy & Planning
