Subject: Regional and Bulk Planning Advisory Group Participation EB-2025-0248

On August 29, 2025, the OEB announced it was seeking expressions of interest to join an advisory group in support of its review of the regional and bulk planning process.

By way of this e-mail, Elexicon Energy confirms its interest in participating on the OEB's advisory group. Please consider the following two participants who will share attendance:

Stephen Sheehy

Director, Asset Planning and System Engineering

Ssheehy@elexiconenergy.com

Stephen is a licensed Professional Engineer with ten years experience at a progressively senior level. System and capacity planning fall under Stephen's portfolio, including providing guidance to staff on regional planning. Stephen has 15+ years of experience within the utility sector, including positions leading design and construction, maintenance planning and enterprise program management teams.

Usman Khan

Supervisor, Load Forecasting and Stations Planning

ukhan@elexiconenergy.com

Usman brings experience from global multi-disciplinary consulting firms, where his primary focus was on transmission and distribution planning and analysis. In his current role, Usman has been Elexicon's representative on three recent / ongoing regional planning processes (GTA East, Peterborough to Kingston, and South Georgian Bay Muskoka).

To support Stephen and Usman, and to coordinate Elexicon's participation, we

request that the following individual be included as an observer and copied on meeting invites and e-mails.

Donna Kinapen
Manager, Regulatory Policy and Compliance
