Dear Adam Pappas:

**Re: Burlington Hydro Inc. (Burlington Hydro)
2026 Cost of Service Application
Ontario Energy Board (OEB) File Number: EB-2025-0051**

The OEB is in receipt of your letter to the Ontario Energy Board (OEB) dated September 10, 2025, requesting a further extension to the deadline date for the filing of a settlement proposal from September 10, 2025 to September 19, 2025. Burlington Hydro notes that additional time is needed to complete the settlement proposal.

The OEB grants Burlington Hydro's request for an extension. Burlington Hydro shall file with the OEB a settlement proposal by September 19, 2025. The OEB also finds it necessary to adjust the date for OEB staff to file any submission on the settlement proposal to September 26, 2025 and adjust the tentative date for a presentation day of any settlement proposal to October 9, 2025.

Yours truly,

Ritchie Murray
Acting Registrar
