Hello All,

Enova Power has filed its 2026 IRM Rate Application for rates effective January 1, 2026.

On September 5, 2025, the OEB issued a Notice and Letter of Direction (LoD) for this application. In the LoD, the OEB directed Enova Power to serve the Notice, the application, and supporting evidence directly on all intervenors from past proceeding EB-2022-0006.

Attached, please find a copy of Enova Power's 2026 IRM Application and the Notice.

Regards
