2024 Rebasing Application – Phase 3  
Ontario Energy Board File Number: EB-2025-0064**

In a letter dated September 10, 2025, OEB staff provided an update on settlement discussions between the applicant and the intervenors (collectively, the parties). The letter conveyed the settlement conference facilitator's suggestion that the parties could benefit from further discussions until October 10, 2025.

The OEB approves the suggested extension. The parties shall file a letter informing the OEB of the status of the settlement discussions including whether a tentative agreement has been reached no later than October 10, 2025.

Yours truly,

Ritchie Murray  
Acting Registrar
