Dear Mr. Murray

**Re: EB-2025-0046 – Elexicon Energy Inc.  
Application for 2026 Electricity Distribution Rates**

I am writing on behalf of Environmental Defence Canada. After reviewing the application in more detail and reviewing the interrogatories of other parties, Environmental Defence Canada believes its participation as an intervenor in this proceeding is not necessary. Environmental Defence Canada therefore withdraws as an intervenor and will not be seeking costs for the time expended thus far.

We ask not to be copied on emails regarding this proceeding going forward.

Yours truly,

Kent Elson
