Dear Valerie Bennett:

**Re: Oshawa PUC Networks Inc. (Oshawa PUC Networks)
2026 Cost of Service Application
Ontario Energy Board (OEB) File Number: EB-2025-0014**

On August 25, 2025, Oshawa PUC Networks confirmed that a tentative agreement had been reached on some of the issues in the proceeding. On September 15, 2025, the OEB approved an extension for the filing of a settlement proposal from September 12, 2025, to September 19, 2025.

The OEB is in receipt of Oshawa PUC Networks' letter to the OEB dated September 19, 2025, requesting a further extension to the date for the filing of a settlement proposal from September 19, 2025, to September 24, 2025. Oshawa PUC Networks stated that additional time was needed to work on the settlement proposal. Oshawa PUC Networks filed the settlement proposal on September 22, 2025.

The OEB is in receipt of Oshawa PUC Networks' settlement proposal. As a result of the required extension, the OEB finds it necessary to adjust the deadline date for OEB staff to file any submission on the settlement proposal to **September 29, 2025**. The OEB is cancelling the presentation of the settlement proposal, previously scheduled in Procedural Order No.1 for September 29, 2025. The OEB will determine, after reviewing the proposal, whether it is necessary to reschedule the presentation for a future date.

The oral hearing on School Energy Coalition's motion, scheduled for **September 29, 2025** from 2:00 p.m. to 5:00 p.m., as outlined in Procedural Order No.3 remains in effect.

Yours truly,

Ritchie Murray
Acting Registrar
