LETTER OF COMMENT

Comments:

My wife and I are both retired seniors on pensions. With the increase of the cost of natural gas, along with increases on food, taxes, hydro, etc., our pensions will not increase by the same amounts. This puts an extremely heavy burden on our income. I noticed that the rate for the residential customer is higher than that of the commercial customer, why should we pay more? Let the big businesses pay the higher rate!

Name: Robert Proulx

Do you reside in the impacted service area?: Yes
