LETTER OF COMMENT

Comments:

My wife, 4 year old son and I just moved to Ontario from BC to get away from the high cost of living. We chose St Thomas because it offers "25% more" although housing, fuel and groceries are less expensive than BC electricity was already significantly more and the idea that its going to go up even higher has us doubting our decision to move here.

Name: Travis Caplette

Do you reside in the impacted service area?: Yes
