Dear Ms. Walli:

**Re: Consultation of the Development of DSM Guidelines for Natural Gas
Distributors; Ontario Energy Board ("OEB") File No. EB-2008-0346**

The Ontario Power Authority ("OPA") is in receipt of the Ontario Energy Board's ("OEB") letters of October 31st and November 14th with respect to its consultation process to develop guidelines for demand side management to be used for natural gas distributors, and is therefore writing to communicate its intention to participate. The OPA will relay to Veronica Mendes which specific stakeholder meetings it will attend by November 20th.

Please forward all relevant correspondence in this consultative process to me at the address above or through email at Miriam.Heinz@powerauthority.on.ca.

Yours truly,

(original signed)
