Dear Tiija Luttrell:

**Re: Greater Sudbury Hydro Inc. (Greater Sudbury Hydro)
2025 Cost of Service Application
OEB File Number: EB-2024-0026**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated September 22, 2025, requesting an extension to the deadline for the filing of the responses to the panel's questions specified in Procedural Order No. 5 from October 1, 2025, to October 15, 2025. Greater Sudbury noted that to fully address the panel's expectations an extension of two weeks was needed.

The OEB granted the extension as part Procedural Order No. 6, issued on September 26, 2025. The OEB also adjusted the deadline for submissions and reply submission by OEB staff, the intervenors and Greater Sudbury on an alternate proposal to revert to a cash-basis recovery for Other Post-Employment Benefits effective May 1, 2020.

Based on the information provided, the OEB is placing Greater Sudbury Hydro's application in abeyance as of October 1, 2025. The application is to be held in abeyance until Greater Sudbury Hydro files its responses to the panel's questions.

Yours truly,

Richtie Murray
Acting Registrar
